Hey =arah,  
Yes the dims are right, 21'X30' they =sually give you extra ,and we would trim to fit...some times you have =o stretch it for a tight fit.  
Thx =

=div style="margin: 5px 0px; padding: 0px; border: 1px solid rgb(204, =04, 204); height: 0px; line-height: 0; font-size: 0px;" class="hr" =ontenteditable="false" readonly="true">

>> I need to order a rug =or 5 Palms. The sample was on island when we were there, but I'm not =ure what happened to it. It is a thick beige color from Sacco Carpet. =an you pls send me a photo of the front and back of the carpet. I also =eed the dimensions of the floor size of 5 Palms so I can determine what =ize the rug needs to be. Thank you.
