I think the time should be fine, I just wonder how big is the whole box, will it be ok for carry on bag you think, just so I know?  
Thanks:)

Hi Jojo and Karina. Just confirming that Jojo will pick you up tomorrow morning at 7am from [REDACTED] in Brooklyn and take you to JFK. Jojo will have the items with him that you are to bring down with you. So you know= it's a box with Venetian Plaster, some Gesso(which is a painting medium)some acrylic paints and 2 Sonos stereo units. (they are small). Wanted you to know what was in the box since its already packed up.

Are you both good with that pick up time? Or do you think it should be earlier?
