Please see the update on sweatpants design. I guess ZORRO should be bigger, same size as LSJ?

Hi Kristin,

I am sorry for all the misunderstandings, but the JE logo should be located on the bottom near the ankle.

For ZORRO logo: can you make the size of the letters the same as you did for LSJ please.<=o:p>

Thank you!

Karyna.

Hi Kristin,

Thank you! There are a few more corrections, that the client would like to make:

1) for JE logo in red: location horizontally on the bottom just like you sent, but make the logo smaller: one third of the size you've sent

2)=for LSJ and ZORRO logos: the colors are good, but please place them on the side of the leg, not the bottom and also make the logos smaller: half a size you've sent.

Thank you!
