Hi Kim,
I will be out of town. [REDACTED], would you be able to meet Steven? If not he can just go there himself I think.
So you are not taking the white lacquer cabinet and the blinds?
Thank you,
Karyna.

Hi ladies,

Eva took almost everything last time, but there were 2 items that she couldn't fit - a large mirror and a carpet. Steven (our driver who went with her last time) could come pick them up late morning on Friday. Would that be a convenient time for him to come? If you feel you don't need to be there (like last time) he could just go up and get the stuff. Just let me know what you are most comfortable with.

Thanks.

Kim
