Dear Kary=a and Yulia

So after rechecking all your papers th= consulate told us that the information given in the Letter of Guarantee ab=ut the expenses coverage is not enough. There are two options.

<=iv>

1. You each need a letter as statement from the inviting c=mpany in Japan where they explain that they will cover all your expenses wh=le in the country. (This one can be emailed).

2. R=do the business letter from Southern Trust Company and add that the company=guarantees the coverage of all expenses for you while in Japan. (This one h=s to be original).

Also in Yulias case they t=ld me you should contact the airline since on the reservation your name is d=fferent than in the passport. (Cuomo / Stepanova).

They confirmed=with me the 5 business days processing time so that means we have some extr= days,

Let me know what you wish to do. =
