Hello Miss KARYNA SHULIAK

Thank you for choosing JetBlue and welcome to our new credit tool, Travel Bank.

Travel Bank is an online account that allows customers to manage their credits with JetBlue. It will replace the current vouchers and credit shells that may be familiar to you. For our TrueBlue members however, TrueBlue points will still be managed as a part of the TrueBlue account. For more detailed information regarding Travel Bank and your credits, click here <<http://www.jetblue.com>> .

A Travel Bank account has been created for you and transactions can be viewed online by clicking Here <<https://emergo8.sabre.com/tbank279/>> .

Below you will find your account number and login information. Please keep this email as it is the only password notification you will receive. You will need to enter the following Travel Bank login ID and password when accessing your Travel Bank account online.

Travel Bank Account Number [REDACTED]

Login ID [REDACTED]

Password [REDACTED]

To book a flight using your Travel Bank credit, visit [jetblue.com](http://www.jetblue.com) <<http://www.jetblue.com>> and choose Travel Bank as your form of payment.

If you are a CompanyBlue Administrator, your travelers will log into your CompanyBlue account and book normally. Once Travel Bank access is granted to the appropriate travelers, they will be able to use it as a form of payment in the booking flow. For more details, refer to your CompanyBlue training materials.

We hope you find Travel Bank a useful tool for managing your credits. If you require further assistance, please visit the help <<http://www.jetblue.com/help>> section of our website. <mailto:>

Sincerely,

JetBlue Airways
