Hi Sarah,

Will try to order bedroom furniture today.

Yes, the closets can be painted, the floor is a bit strange there, would be nicer to put a carpet probably, otherwise may be it won't look so bad after cleaning

Hey karyna,

Do you know what you'd like to do for the floors in the closets in your apt? Do you want them to have a fresh coat of paint, or perhaps get them carpeted?

What else have you found in the way of furniture? Any bedroom things yet? Bed/dresser?
