Is there a form for employment history, that I need to fill out? Or should I just send my own resume?

Thank you!

Good Day

A resume' is an account of all places that you have worked. Yes you can email the documents to me.

Dear Mrs. George,  
Just to check, is this for USVI application?  
If so, the background check is in process. What is a resume copy of the diploma and a state verification?  
I have a copy of an actual diploma that I was going to send.  
Please advice,  
Thank you,  
Dr. Shuliak
