In the delivery =nstructions, I've instructed our warehouse to leave the items in their =riginal packaging, which lists the country of origin. I will also call =our freight forwarder Monday morning to ensure they have all the =ecessary information.

Greetings Karyna,

Is this the final invoice?

This =akes it appear that the cargo is consigned to you, and being shipped to =ou.

If they must put your name in the ship =o, please not at the top. Let it be to the bottom -
"Attention - =aryna. . ."

Also, they have listed the =ountry of Origin for the products.

I am =orry if this process is worrisome, but this is the only way we can =nsure the cargo is assigned to the correct account the moment it =arrives at Tropical Shipping and US Customs does not automatically =emand the cargo be inspected when it arrives on St. Thomas.

Kind regards, DW
