From one of Davids contacts...another program!! He wa=nt happy with my Autocad, Sketchup, Rhino, V-Ray, Grasshopper, InDEsign, I=lustrator, Photoshop.

If someone tells me somethings a steep lear=ing curve its only going to make me do it!! I know Revit and the steepness=of its curve ;)

Hi [REDACTED]. A limitation we have is our commitment to Revit. This makes=C2 collaboration inside the office difficult for those who don't kno= it and it is a steep learning curve. However lets talk some time next wee=. And David is being very kind. I would describe myself as fairly talented=and pretty smart.

Jeffrey Cole, R.A., Pr=sident
