Hi =oris,

Thank you so much for the pictures! They =re so cute!!

How old are they now?

My first choice would be a blue mittet =emale, but I wonder why the price for the blue colorpoint female is =igher?

Are they both purebred?

Also, could you please send me photos of =er parents?

Have both of the parents been tested for =CM?

Thanks a lot,

Karyna.

Did you get the pictures I sent of my =emales. They are young so it is hard to get good pictures. I have a =ouple of others in another litter that are pet quality.
