Dear Mrs. [REDACTED],

At the very outset, please accept our sincerest thanks for visiting our homepage.

We are pleased to note that we have aroused your interest in our high-quality products.

We would particularly like to draw your attention to the machining, processing and the materials used by us. For us, this is an absolute criterion for quality. Numerous customers have confirmed this to us time and again.

#### BENEFITS of PDR:

- Welded seams are not visible
- Scald protection feature is provided by default
- Material used is stainless steel V4A (Resistant to chlorine and acids)
- Cover plates and base plates are 10-12 mm thick
- Shower fittings are made exclusively of VOLA-V4A
- Weight of the models is 40 kg and more
- Order-related customised manufacture
- Wooden crates used as packaging material
- Quality control tests conducted prior to delivery

The purchase of a stainless steel shower from PDR brings many years of delight and is an appreciation in valuation for any sector.

It would be our pleasure to be able to work out an attractive offer for you.

Please send us the part number of the product of your choice.

Of course we'll send you the shower of your choice to your location in Florida.

Delivery time: approximate 4 weeks to Florida

We shall prepare your offer as promptly as possible and send the same to you.

Furthermore you'll find all the information which you ask for (price, your discount, some pictures,...) in the appendix.

In case of queries or clarifications, please feel free to get back to us.

Yours sincerely,

Ing. Dieter PEISCHL

I'm wondering what the lead time is for your outdoor showers as well as pricing. I am based in New York, but would need the shower shipped to Florida. Thank you, [REDACTED]
