Hi [REDACTED],

They do not watch cable TV there, they watched movies from their laptop conn=cted to TV. They bring their own cable each time now that connects their la=top to TV.
But I believe there was something funny with a cable TV when I checked it mo=ths ago, it would work, but not smoothly.

Time Warner Cable says we should have 2 boxes in there, yet Larry (w=o stayed there last night) says there are no cable boxes...so we are just t=ying to figure out when they may have gone missing...I know your parents ha=e been staying in 11J off and on for long periods of time...
