I don't blame you! He's possibly leaving on a flight tonight arriving in the=orning, or tomorrow night arriving sat. I haven't heard from him yet toda=, so I'm hoping that's a good sign that he'll let me know when he's on his w=y to the airport. I know he had some work to finish up in Miami before he w=s able to come. I am going crazy. Truly. I will really go loony if he doesn=t end up coming. I didn't sleep at all last night cause I was too excited. W=nt to bed at 3am, up at 6am
