Hi Kim,

Absolutely. I will be around today and can meet Steven. Tomorrow I won't be there, but someone else would be available to meet him.

The cabinet is too big to bring it to the doorman, so someone will have to meet Steven. Just let me know what time works please.

Also, there is one more cabinet, that you can take if Eva would like that. Let me know please. Here is the picture:

Hi Karyna,

Can I have Steven pick up the parts either today or tomorrow? It is something you can leave with the doorman so we don't have to organize for someone to be at the apartment?

Thanks.</=>

Hi Kim,

It is supposed to be attached to the wall using those parts.

Please let me know if you are going to pick up the re=t that is left.

Thank you,

Karyna.

Hi Karyna,

In the attached photo is a m=rror that we picked up from 66th. Behind it seems to have a=place for some sort of legs or something. How did you use it? Was it meant to be a table top or something?

Thanks.</=>
