Hey guys..

JE wants to see if we can order bamboo in Puerto Rico that can be =hipped to LSJ along with any trees we are ordering from PR. Firstly, do =e have an order of trees that is coming from Puerto Rico? and do you =now how we can find out if they sell bamboo as well? JE wants to put =amboo at least in the burm(lowered garden area) as well as other areas = think.

Please let me know who can help out with researching this. thanks
