I think that's an excellen= plan [REDACTED]! Yes, you all can work Friday-Wed and work during the weekend= I know this list is a priority for JE and there is much on it! Do you need=want me to tell Lyn and Jojo this is the plan, or do you want to confirm th=s schedule with them?

Hi [REDACTED], I learned from [REDACTED] (verbally) that Mr. E=stein want us to synchronize our schedule to start working on the to do lis=. Lyn told me that they will enjoy the days that they worked and return to w=rk within the week of next week. I mentioned what [REDACTED] said and suggested to=her why not start Friday since I will arrive that day, she said she w=ll but they do not work on the week ends when Mr. Esptein is not in residen=e. I understand that: May I suggest (for next week only) why can we not wor= Friday, Sat, Sun Mon, Tues and Wed and take a break before our Boss a=rrives. Merwin comes every Friday only, if only he comes and work two days t=at we will do the "to do list" it will be a big plus. He is good.

[REDACTED] maybe you have other ideas on this regard -(work sche=ule).
Thank you.
