The mirror attaches to a cabinet? I thought you said it attaches to a wall? Can you send me a pic of the cabinet the mirror attaches to?

Hi Kim,

Absolutely. I will be around today and can meet Steve. Tomorrow I won't be there, but someone else would be available to meet him.

The cabinet is too big to bring it to the doorman, so someone will have to meet Steven. Just let me know what time works please.<=:p>

Also, there is one more cabinet, that you can take if Eva would like that. Let me know please. Here is the picture:

Hi Karyna,

Can I have Seven pick up the parts either today or tomorrow? It is something you can leave with the doorman so we don't have to organize for someone to be at the apartment?

Thanks.</=>

Kim

Hi Karyna,

In the attached photo is a m=rror that we picked up from 66th. Behind it seems to have a=place for some sort of legs or something. How did you use it? Was it meant to be a table top or something?

Thanks.</=>
