I did already. His cousin is interested in buying =uffy the Moke, so I need to try and coordinate that and get it done. I =ust said all was well, traveling alot like usual, and asked if his =ousin was still interested in Moke, otherwise I am going to list =t.

JE just called and said there was a friend of [REDACTED] who =s a cocktail waitress at [REDACTED] in PB who came by the house yesterday. =JE was in PB) She asked him if Story takes drugs. Apparently he goes to [REDACTED] alot and gets really drunk and his eyes don't look right like =e's been taking drugs. Not =ood.
