I did already. His cousin is =nterested in buying Muffy the Moke, so I need to try and coordinate =hat and get it done. I just said all was well, traveling alot like =sual, and asked if his cousin was still interested in Moke, otherwise I =m going to list it.

JE just called and said there was a =riend of [REDACTED] who is a cocktail waitress at [REDACTED] in PB who came by =he house yesterday. (JE was in PB) She asked him if Story takes drugs. =pparently he goes to [REDACTED] alot and gets really drunk and his eyes =on't look right like he's been taking drugs. Not =ood.
