Hi Lindsey! I'm a little confused as to what you need exactly. If I convert the attached image of the floor plan to a PDF file, that will work?

Hi [REDACTED]

I hope this email finds you well.

Unfortunately that image will not work for a formal quote so I can retrieve final square footage. I will need an attachment of the plan to an email in PDF form preferably.

This will then need to be sent to my engineer to be created into a CAD drawing.

Let me know if you have any questions!

All the best,  
Lindsey

Hi Lindsey,

Please find attached the floor plan to the dining room we want to use the chocolate silk and sisal carpet in. It will be wall to wall and want to make in real silk like you quoted last year. Please let me know if there is anything else you need from me in order to make an updated formal quote. Thank you!

I just spoke with Lindsey regarding the order we were pursuing last year. In order to refresh the quote Lindsey will need the following:

- a) Plan of room

- b) Verify carpeting is wall to wall
- c) Info on which fiber we want to use

Lindsey confirmed that her quote was 100% real silk and was manufactured in Nanhui, China.

Thank you
