Hi Kim,
Jeffrey is revisiting this carpet for his dining room in NY. You quoted me a year ago, and he is asking if we can get an updated quote for this. I will send you photos of what the sample was in a separate email to jog your memory! Thanks,

Hi [REDACTED]

Please see revised estimate for the Dining Room. This new estimate reflects our best price, Made in China and Shipping by Boat. I also have added an extra 16 sq ft to the order to account for overage needed for a wall to wall installation.

Let me know if you would like to proceed with a site measure.

Thanks,

Kim
