Subject:	8H things to move

Entry way: move the console table, detach the cable from the walls and =sk to place it on the floor in the entry way, because the walls are =oing to be wallpapered and have to be clean, a rug is going to be =laced on the floor (in the closet it can stay as it is). If the guys =on't know how to place the cable, ask Andrew, he looked at it before =nd said they can do it.

Living room: move everything except for the sofa, new wooden cabinet, =hite lacquer cabinet with printer on top of it, tv, dvd and stereo =ystem (white media cabinet can be moved). 2 white shelves should be =emoved from the wall.

Hallway: mirror should be detach from the wall, move everything (mirror, =all wooden stand and mirror side table)

Bedroom: move everything except for the lamps.

Large containers with stuff on them (there are 2 in the hallway and 1 in =he bedroom can stay for now), I will ask Lynn how to arrange a pick up =or donation.

Thank you so much! And please let me know if there are any questions.=?xml version=.0" encoding=TF-8"?> <!DOCTYPE plist PUBLIC "-//Apple//DTD PLIST 1.0//EN" "http://www.apple.com/DTDs/PropertyList-1.0.dtd">
