Subject: JE's big laptop

Hi girls,

Does anybody know where is JE's big laptop, when we were packing for =aris trip he said the big laptop and big ipad were left on the island. = found the ipad, but don't see the laptop..

One more thing: all the chargers and cords marked as "black bag" should =tay there(as there are spare chargers on all the properties), or if =ou use them put it back when you leave please. Otherwise you'll keep =ringing the spare chargers from the properties back to NY and I kept =uying new ones.

Thank you.=?xml version=.0" encoding=TF-8"?> <!DOCTYPE plist PUBLIC "-//Apple//DTD PLIST 1.0//EN"
