Subject: tiki panels

Hey daphne,

If you want to update your list with the status of panels for tiki..

I spoke to the lady today. She is having issues getting her contact in =ew Guinea to package the panels for shipping. He is saying he doesn't =ave enough money even though she sent him the funds to do it. She is =ooking herself a flight to New Guinea to take care of it herself during =he first 2 weeks of May, so they should be shipped out sometime during =he first 2 weeks of May. There is not much else we can do except wait =ntil she goes herself to take care of.
