JE =ad me get a quote for acrylic mirror for the wall at 5 Palms. He has =pproved the quote and told me to order and have Fedexed to St.Thomas. =an you please confirm that the amounts are all correct? I was told the =all is was 32'x21'. They will be cutting 8 panels of mirror each =8"x31.5" to fill the wall. I just want to be sure we don't need to =rder an extra 2 smaller pieces to fit the 2 "notches" on the top of =hat wall? I would assume I would need to include for those, but I would =eed to know the size for the notches.

I'm ordering adhesive =hey sell for the installation as well. Do you know what material the =all is so I can also confirm the adhesive will stick to it? =hanks!
