attached is tai ping revised quote which totals 48,087 which =s 22.4% or 8,798 higher than the quote received feb 15th 2011 in =he amount of 39,289 this price includes installation, padding and =removal of existing carpet and furniture from room (2,745.03 total cost =ncluded in price above)

when i spoke with =indsey at tai ping she said there were two main reasons contributing to =ncreased cost:

- a) cost increase in material costs resulted in =wo price increases in the past 6 months (sep 2011 & jan =012)
- b) the square feet originally quoted was 615 and now is =30 square fee (39,289 / 615 sq ft = 63.88 per sq ft and 48,087 / 630 =3D 76.32 per sq ft) - this increase amounts to =,144.93

marc sacco said he needs 2-3 weeks =rom when we met on March 30th to have his factory in china make a =ample and price marc said he would match or beat tai pings =rice - i do not plan on giving marc the revised quote of 48,087 =nd will let him bid off the old number i showed him earlier this week =f 39,289

around april 15th - 20th sarah and i =ill begin pressing marc for a firm price and =ample
