And yes, all at 301. I got your message about the 2 coconut side tables. Not really NY style, but if he wants to use them, I guess we can try and match furniture

The 3 apts are all one bedrooms. One is [REDACTED]s apt which shes moving out all the stuff in there by mid May, and the other 2 are the 2 offices. Looks like he will be getting an office now in NY. None are furnished, thus need everything. I have my old couch I can use in one of them and a possible arm chair. I'd rather not furnish then mix and match style. Would like to start fresh and do them right.

Hi [REDACTED] & [REDACTED],
Couple of questions

The 3 apartments that JE is talking about, with 1 to be used for Janusz and Ofelia, I assume they are in 301? Are they all 1 bedroom apartments? At present none are furnished?

Thanks
Warmest regards
Karen
