Hi Colette,

We really like the Country white floor sample.

</=lockquote>

One of the studio apts we need to have=you refinish, 11p, has carpet that needs to be pulled up first, th=n we want to paint the walls, t=en we will have you refinish the parquet wood floors after the paint job is complete.

Are your men able to=pull up the carpet for us first, or is this something I need to have someone else do? I'm just trying =o schedule the painters, but need to know when =he carpet can be pulled up first.

Also, I'm having a one bedroom, 8H, painted this week, then I will be= ready for the floors to be refinishe= in the Country white in the wh=le apt and would like to schedule the work for that apt as well.

Would it be possible to schedule the start of 8H =loors for next week?

Thanks for your help!
