Dear =arah,

Here are our revised =stimates with the sale dates. We will need to know by the 23rd (next Friday) should you wish to include =hese portraits in the April 20th sale. What I think part of the problem is =ith this group of portraits albeit well painted is that they don't have any =nteresting backgrounds for the men nor jewels and or dog for the female sitter. =hat generally helps sell a portrait.

At any rate, please =et me know when you can.

best,
