Just checking in again that we are correct with our calculation of the credit we have left, \$56,075.25? Just want to make sure we are all on the same page. Please confirm. Thank you.

Sarah

Hi Rad,

Our accountant Rich has gone over the numbers as well. He is saying we have a credit of \$56,075.25 left. He thinks your accountant deducted the full amount of the rugs from our credit, not just the 75% which we have been deducting for each rug from the credit. If you can please confirm this is accurate so we are all on the same page. Thanks
