Hi [REDACTED]
So for Sunday, we have wheels up at 7:30am. I will come pick you up with Jojo from your apartment at 6am, then we will pick up Jeffrey and head to the airport!
See you bright and early on Sunday :)

Hi Sarah,

Yes, I'd love to come. Let me know what time and the easiest place to meet you.

I'm at 133 East 64th Street if a pick up from there is easier.

Thank you! Hope you are well,

Hi [REDACTED]

Jeffrey is going to Harvard for a day trip this Sunday the 15th to meet with different professors and scientists and wondering if you'd like to join us for the day trip? The departure time is still yet to be determined and we will be back the same evening. Would you be able to join?
