The black and white LSJ photo for 71st dining room can also be printed =n canvas and stretched. I'm getting quotes for this now from a few =ifferent places. Do you prefer for it to be printed on canvas instead =f vinyl?  
So far I have a quote from Duggal which is \$1764 to print on canvas, and =2500 to have it stretched. Since it's so large, they will have to =tretch it on wood surrounded by aluminum.  
I'm waiting on a quote from Coloredge Visual who has done all our large =rints in the past. They should be less expensive than Duggal.
