Hi Sam! Our IT guy is going to be at the apt building tomorrow at 4:30pm and I'm wondering if it's OK for him to come by [REDACTED] to fix the internet and make sure everything is set up properly for you? Will you be there, and if not, is it ok for him to go in and fix on his own?

Thanks! [REDACTED] =?xml version=.0" encoding=TF-8"?> <!DOCTYPE plist PUBLIC "-//Apple//DTD PLIST 1.0//EN"
