Scott, tomorrow at 4:30pm is great!
Just knock when you get there and if the guest is there, they will let =ou in, if not, you can go in on your own. Code to █ is 45369. and code =o █ is 2580.
Bost guests know you are coming tomorrow and said it's fine for you to =o in on your own if they are not there.
Thanks!!
