Jeffrey would like you all to make sure whenever you are with him t= always have Purell, toothpaste and a toothbrush for him. Just like he alw=ys wants his glasses to be with him, these items should be automatic as we=l. The small travel size toothpaste is perfect as well as the small size P=rell. All should be kept in a zip lock baggie and the toothbrush should ha=e a little "cover". What kind of toothpaste does JE like? Doe= anyone have time today to go and purchase 12 each of Purell, travel size =oothpaste, toothbrushes and toothbrush covers? You each need your own B=ggie with the 3 items to be kept in your purse. We will keep extras, ready=to go in the Oval Office closet Please let me know if one of you has t=me today because we will want you to have these items with you starting to=ay.

Thanks! Lesley
