I checked with [REDACTED] in the morning, she said it's the only white button down we have here, as last time many things have been taken to LSJ. JE said not to worry about the belts.

Thank you [REDACTED], Karyna and I were working on it last night, we are short of a couple of things with his clothes, mainly just a white button down and a decent black belt. He has one button down for the first evening, I will check if I can find a Faccinable in San Fran where I can pick up a couple more.

I have not been feeling well, very bad nausea, hopefully I will improve when I am back at sea level :) otherwise he will send me back to NY to see a doctor.

Hey guys.. just want to make sure you all bring a light jacket or sweater with you to San Fran.. the weather looks pretty cool.. highs in 60s lows in 50s

Please make sure to bring JE clothes bag, cosmetics, computer, plugs, wallet, (black bag obviously). I know you already know this, but I feel better reminding you all! Thanks and have a great trip!
