Good morning Ramona,
Just wanted to touch base to see if you have a flight confirm you can send m= for tomorrows flight? I've discovered that some of my emails are coming th=ough to me hours late; someone sent me one at 12pm yesterday and I didn't r=ceive it until 9pm. So not sure if you had sent me or not, but wanted to to=ch base nonetheless.
Thanks again,

████
