Hi, Dear Dear Mr. Daphne

How are you?

I attached the ISF10 information here. Please check.

We load the container and take it to the port today. But the expected sailing date is April-28th. And the final bill of lading number and vessel loading date need to wait after shipping. The shipping company just give me the expected bill of lading number and vessel loading date. Please check the form I attached. Thank you!

By the way, we change to ship the container from Shenzhen. Because Guangzhou port is too slow. Please know it.

Any problem, please contact me. Thank you again!
