Hi Ramona,

sorry for late reply.. I always do a search first on Kayak as they usu=lly show some of the smaller local airlines that AmEx doesn't really see. =asyJet is a no frills basic European airline that is very inexpensive. [REDACTED] and I actually flew on EasyJet from Paris to Nice awhile back. The only negative with the airline is that=they will make him check his bag as they only allow literally one piece of=luggage on board which would be his backpack. They also don't assign seats= it's a free for all.

I can ask some of my friends in Paris if there is also a local travel =ite they use and let you know.

Can you tell me what website you use in Europe to find cheap air tickets? Trying to find [REDACTED] a ticket from Paris to Florence Italy.

Thanks!  
Ramona
