That is insane. Do we trust any 4 random people that aren't real movers to do this? Seeing as Steve was concerned about damaging the stone work, etc

Hi [REDACTED] the second price is in to ship the stove to New Jersey from Steve Hanson's people. \$3850.00 It might be more cost effective if we tell the people that are receiving the stove to bring 4 people to remove the stove and ship it themselves, being the stove is for free. Just a thought. RB
