Hi Karen,

All good thank you, how are you?
I was in flight, so just seeing my emails now.
The plan for the guest cabanas is to change everything. We won't be=keeping anything that is there now.
In regards to the master, I don't know yet. Will have to ask Jeffre=. If the bed is in a bed shape/molded we would need to change it.
Will let you know if I have any updates.

Thank you!
