Thank you for the order. If you place your order before 3 pm eastern time Monday through Friday it will usually be sent the same day. Orders placed after 3 pm Eastern Time on Friday or on Saturday and Sunday will usually be sent on Monday or Tuesday.

If we are sending the order outside of the US and you have chosen the standard shipping option or International Priority Mail, we cannot track the order or tell you where it is at any given time. Delivery times normally range from 5 to 10 days, but if customs delays the order in your country it can delay delivery for up to 30 days. We have no control over customs procedures and cannot expedite an order once it has been held up by customs.

If your order is being sent to a location within the US, please allow 3-7 days for delivery in most cases using the standard shipping option. Although almost 100% of our orders are delivered within that time frame, we must wait at least 14 days to reship a US order if it has not been received.
