I have no idea. It's possible it's in one of the house books that we keep with info on furniture at 71st. I could have [REDACTED] take a look though the NY books to see if it's in there

On another matter, do you have any idea on the price of desk at 71st?

Ok! I know..FedEx seems extreme, but that's what he wants. So...who am I to question. I did ask him twice about fedex and he said yes.

I just spoke to the mirror people and it's ready to ship, but the mirror alone weighs over 1000 pounds and JE wanted it Fedexed. I have the mirror people calling to see if this can even happen. It never ends. I dread telling him. Just wanted to prepare myself and know if he knows that it hasn't in fact shipped out yet. Last I told him it had shipped on the 19th cause that's what they initially told me
