Subject: A few things to bring for Je

JE is asking if you can bring one of his nose hair trimmers with you. He =aid not the round topped one, but one of the ones you have bought him =efore(I'm hoping you know what he's talking about!) Also, would you mind bringing one of those new razors of JE's with you =hat's a razor and beard trimmer in one? I would love to give one to =rian as he's searching for a beard trimmer here and unable to find.
Thanks chica
I'm sure I will have a few more things to add later..let me know which =light you are going to take and I will arrange for Alex to pick you up, =ake you to Embassy, then to apt..
