Just spoke to JE and he said I should let you know when would be=a good time to deliver. If they can deliver on a weekend (=s long as it's not more expensive) then that would be best=:) This way I can make sure I am there to receive it. If n=t, I can ask Josh to run home to accept the delivery.
Thank you so so so so much :)

Hi [REDACTED].=
Sorry for the delay! My email was not coming through on m= bb (no wonder it was a quiet evening!) so just catching u=.
Is delivery really expensive? I spoke to Rich yesterday =nd he said you

received quotes as high as \$4,000?!?!?

If it's not too expensive then we could have it delivered and put in the garage?

Please let me know whatever is easiest and cheapest for you.

Best,

DB

Hey DB. Just checking in about delivering your new stove. Are you ready for it, or if not do we just deliver and put in your garage?
