Thanks.. much better.. he's now ask=ng for more photos with those 3 with a bit more perspective, standing furt=er back. He can't quite tell which wood's he's looking at or w=at's the book shelf, and what's the floor, etc..
thanks
what is the color name of the darkest one in the photo without the whi=e tag?

Hi [REDACTED]
Hoping these are a little better, the one with the white tab missi=g was the lightest of the original photos
The old saddle chestnut is a smooth hide will the Matador Caramel =as quite a bit of grain
Warmest regards
