Hi Marisa,

I'm ready to place the order for the ti=es, toilet, grout, vanity, (no sink), shower fixtures with the square hand=eld, and sink faucet with white insert. What is the best way to make payme=t and get the ball rolling?

<=3:p>Nice meeting you yesterday. Please find your quote attached for=the tile which is in stock, as well as the toilet and the bathroom shower =nd vanity fixtures. I also included our unsanded white grout for the tile. The earliest we can deliver is Tues=ay, via curbside and the delivery charge is \$80. In terms of vanities, the=Dylan vanity you had liked will take 10-12 wks to get, I didn't put =t on quote, but let me know if you have that timeframe. The vanity price I included is the white 2 drawer pol that=you saw here in the showroom that has the greenish glass top. Let me know =hat you think and I have attached the specs as well, and let me know if I =issed anything.
