When do you think I can have everything out of 10F so the flooring =people can start work? I will need it completely empty. There is no =ush, but JE is hounding me for a time line and I need a realistic =stimate from you when you think all will be gone from 10F. I'm hoping =o have the desks and chrome drawers picked up on Friday the 8th, then =ill need someone to take out filing cabinets, etc..

Just need to know what works for you in terms of all your things being =one?
