Please see attached photo of baseboard sample..

this is the=baseboards that the flooring people have which are redoing the floor finish= If we like, might be easiest to have them install these.. what do you thin= for 8H?

Begin forwarded message:

if this helps

Thanks

Colette

So we will have you refinish the floors in 8H f=rst, then we will have it painted. We are going to replace the baseboard=, so if your men can take off the current baseboards prior to refinishin= the floors, that would be helpful. We want to do the Country White fini=h in the whole apt, living room and bedroom. Can your men start this apt=on Wed of this week?

then we will have you refinish the parquet wood floors after the pain= job  
is complete.

Are your men=able to pull up the carpet for us first, or is this  
something I need to have someone else do? I'm just tryin= to schedule  
the painters, but n=ed to know when the carpet can be pulled up first.

Also, I'm having a one bedroom, 8H, painted this week, the= I will be  
ready for the floors t= be refinished in the Country white in the  
whole apt and would like to schedule the work for that apt as wel=.

Would it be possible to schedu=e the start of 8H floors for next week?

Thanks for your help!
